

Video Production

On location or in our studio, Silver Oaks has you covered from idea to delivery

There is no substitute for experience. Founded on an innovative ambition for the moving image, Silver Oaks brings decades of production savvy and creative energy to every piece of work. Our development process utilizes a collaborative team effort, embracing the input and expert knowledge from all members. This includes writing, project coordination, studio and location shooting, sound engineering, 3D animation, non-linear editing and mastering in standard or HD.

Talents and Expertise

- Television commercials
- Corporate image development
- Training tools
- Television programs
- Sales and marketing
- Motivational/fundraising campaigns
- Public relations
- Meeting presentations
- Internal communications
- Staging for meetings and events

Studio Features

- Two broadcast-quality SD cameras
- Two broadcast-quality HD cameras
- Mastering to DVCPRO HD, BetaCam SP, DVCAM, DVD or digital files
- Dolly and boom
- Four non-linear HD digital edit suites
- FinalCut Pro HD
- 1300-sq-ft studio with 30'w x 20'd x 15'h infinity cove
- Green screen

High-definition

Silver Oaks can shoot and edit entirely in HD, a system which uses digital technology to record in unsurpassed clarity. Ideal for large presentations, museums and broadcast TV, HD incorporates higher amounts of data and a wider screen format to provide a significantly clearer picture than standard broadcasts.
